| <b>Assignment - Literacy</b>                                                                                                                                                                                  | <b>Assignment - Maths</b>                                                                                                                                                                                                                                                            | <b>Assignment - Literacy</b>                                                                                                                                                                                         | <b>Assignment Maths</b>                                                                                                                                                                                                                                                                                                                                      | <b>Holiday</b> |
| <p><b>Maths-</b> Complete the four sections of this week's fraction mat. Remember to copy out the word problem fully.</p> <p>The fraction mat will be added to the general channel this morning.</p>          | <p><b>Literacy -Spelling</b><br/>Using the new words issues on Monday please find accurate definitions for your spelling words and write them out.</p>                                                                                                                               | <p><b>Maths-</b> Please log into Studyladder and complete the assigned Time Revision Tasks.</p>                                                                                                                      | <p><b>Literacy -</b> Write 10 sentences that use a metaphor remember metaphors use 'is, has, are and were.'</p>                                                                                                                                                                                                                                              | <b>Holiday</b> |
| <p><b>Active Learning Activities:</b><br/>We have added two new channels for you to browse that contain resources for PE and Music. Please look at the resources and select a few activities to complete.</p> | <p><b><u>Active Learning Activities</u></b><br/>Think about what we have been learning about Scotland's landscape and create a 3D model of one of the features e.g. cliffs, mountains, coastlines etc. Or choose a popular landmark to build a model of e.g. Kelpies or a castle</p> | <p><b>Active Learning Activities</b><br/>Complete one of the mindful colouring sheets provided.</p> <p>A PowerPoint will be added to the general channel with some pictures for you to choose from this morning.</p> | <p><b>Active Learning Activities</b><br/>Research Scotland's bridges find out about how they are designed. Are they an arch, beam, suspension, cable-stay, truss or pillar? Can you find out the age of each bridge and how long they took to build? You could build your own bridge using spaghetti and marshmallows or cocktail sticks and jelly tots.</p> | <b>Holiday</b> |
