Once you have learned it, teach to a member of your family! Can you come up with another way to remember the days in each month?	Live lesson with class teacher at 10am on Microsoft Teams. Relevant assignment will be available. Follow up live session at 2pm.
Active Learning	Science As it is science week, carry out one of the food science experiments shared on Teams. Why not create a visualisation to show what you remember about the digestive system.	French https://www.french-games.net/frenchlessons Choose games from this website to revise French numbers, weather and basic conversation vocabulary.	Music Complete the task set by Braes music staff for this week. This can be found on the March music activities document in the files section of our Team.	PE Participate in the live PE session at 2pm. Choose a task from the PE virtual classroom. This can be found in the 'PE and Music' folder in the files section on our Team.	Health and wellbeing Do a self 'check-in': "I feel..." "I need..." "I forgive..." "I celebrate..." "I trust..." Discuss with an adult how you are feeling about coming back to school next week.
